

Copyright Transfer Statement

The copyright to this article, including any graphic elements therein (e.g. illustrations, charts, moving images), is hereby assigned for good and valuable consideration to the Editorial Office of *Advances in Atmospheric Sciences*, on behalf of Chinese National Committee for International Association of Meteorology and Atmospheric Sciences, Institute of Atmospheric Physics, Chinese Academy of Sciences and Science Press, effective if and when the article is accepted for publication and to the extent assignable if assignability is restricted for by applicable law or regulations (e.g. for U.S. government or crown employees). Author warrants (i) that he/she is the sole owner or has been authorized by any additional copyright owner to assign the right, (ii) that the article does not infringe any third party rights and no license from or payments to a third party is required to publish the article, (iii) that the article has not been previously published or licensed and (iv) that the article does not reveal any national secrets.

The copyright assignment includes without limitation the exclusive, assignable and sublicensable right, unlimited in time and territory, to reproduce, publish, distribute, transmit, make available and store the article, including abstracts thereof, in all forms of media of expression now known or developed in the future, including pre- and reprints, translations, photographic reproductions and microform. The Editorial Office of *Advances in Atmospheric Sciences* may use the article in whole or in part in electronic form, such as use in databases or data networks for display, print or download to stationary or portable devices. This includes interactive and multimedia use and the right to alter the article to the extent necessary for such use.

Articles disseminated via SpringerLink (www.springer.com/376) and other AAS journal websites (www.iapjournals.ac.cn/aas) are indexed, abstracted and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

A Copyright Transfer Statement must be signed by all authors of a work. The title and author list should exactly match the accepted manuscript. Forms should be sent to the corresponding author for upload or emailed to aas@mail.iap.ac.cn.

After submission of the agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by the Editorial Office of *Advances in Atmospheric Sciences*.
